TERMS OF SALE

1. All lots will be sold to the high bidder at the next regular advance over the second high bid by the highest amount of either \$1 or 5%. We reserve the right to reject any or all bids.
2. All items offered are guaranteed to be genuine and as listed. Errors on the part of the cataloguer will be cheerfully corrected. Please bid carefully as we cannot be responsible for the errors of others.
3. Lots will be sent to successful bidders, on open account, to acceptable, established customers only. New customers, and those with whom we have had problems in the past, will be invoiced first and lots mailed only after payment has been received.
4. Payment is due immediately upon receipt of merchandise, or upon receipt of invoice, unless other arrangements have been made in advance.
5. 5% Sales Tax will be added to all Illinois orders unless we have on file, a signed exemption certificate and Illinois registration number.
6. Bids are to be made, and invoices paid, in U.S. funds only. Foreign bidders must assume all risk of non-delivery and should advise if special shipping instructions are necessary.
7. Shipping costs will be added to all invoices. In view of recent difficulties we have experienced when shipping by Parcel Post, all orders will be sent by Registered Mail unless we receive prior instructions to the contrary.
8. Title to all lots remains with the cataloguer until paid for in full.
9. Minors are expressly forbidden to participate in this sale.
10. In the case of tie bids, the first bid received will be declared the winner.
11. Lots will be available for inspection at our bank, by appointment only.
12. Buy bids will not be accepted.

Prices Realized lists will be available about 10 days after the sale closes at the price of \$1. Please include payment with your request. Consignors and annual subscribers will receive the lists without additional charge.

Looking ahead.....

Our next sale will be both a Public offering and a Mail Bid and probably will include a Mail Bid Only section, as many of our sales have in the past.

The sale will be held in September, in Arlington Heights, Illinois, in conjunction with the Illinois Numismatic Association's Annual Convention, scheduled for September 9, 10, 11, 1977.

This will be the third Auction we have conducted for ILLNA, whose conventions are fast becoming among the more important State sponsored meetings around the Country. We are proud indeed to have again been selected as ILLNA's Auctioneer.

There is still time to consign to this important event and we are hoping for a balanced sale, between US and Foreign material. Thus whatever you might have that is worthwhile, Numismatically, we have a place for it and would welcome an opportunity to discuss it with you.

Looking further ahead.....

Following the September ILLNA Auction will be one, and perhaps two, Fall or Winter Mail Bid Only offerings, and we sincerely hope to issue a fixed price list on U.S. Currency, particularly for Obsolete Notes and Scrip, within the next two or three months. Incidentally, should you have anything at all in U.S. Currency to dispose of, we would be pleased to make an offer for it, or if suitable to include it in one of our Auction sales.

We hope to see you during the ANA Convention, in Atlanta, August 23, thru 28, 1977.

Jess & Vi Peters
